Instructions:

Place completed entry form and fees in an envelope and attach to the back of the entry with low tack tape (e.g.: green painter's tape).

Do not tape all sides. Draw a 'this way up' arrow at the top back indicating the correct orientation for the image. For multiple entries, attach entry form (as described above), but **enclose fees for all entries in only one** of the envelopes and state the total number of images being entered.
